TERMS OF SERVICE

All equipment and staffing are subject to availability.

Breakages and damage to the equipment will be charged for at market cost and invoiced after the event. Staff are only hired for the specific job functions only.

Staff are charged from arrival time to departure time, including the duration of all setup and pack-up, to be determined at the discretion of the catering team. If staff are needed for longer than the pre-arranged time, the coordinating team member should be informed by the client immediately in order to guarantee that staff are not booked for later events. Additional staffing fees will then be invoiced after the event.

All pricing is inclusive of taxes and 5% VAT.

MINIMUM ORDER

Each delivery should be valued at a minimum of AED 500. For clients in Abu Dhabi, each delivery should be valued at a minimum of AED 3000
